Entry music – 20 seconds maximum

Time commences at the move off from the first halt and finishes at the final salute.

Time penalty of 2 marks per judge if 10 or more seconds under or over time allowed

Movements must be based on those above or from EA Preliminary Dressage tests. Movements deliberately shown from higher levels (eg leg yield, counter canter, rein back) are not permitted. They will score 0 and will lower the choreography mark.

If a compulsory movement does not appear to be attempted, the score will be 0 for that movement.

In the event of a technical fault or music starting at the wrong time, the Judge may allow the rider to restart the test.
